DECLARATION OF OWN WORK

Legal statement to be confirmed by you!

You must confirm that the examination is the result of your own work by accepting the statement at the start of the examination session and when you upload a file during the examination. Please ensure that you familiarise yourself with this procedure before the examination. By submitting the declaration of own work, you confirm that you understand and will comply with the regulations for remote examinations.

I hereby confirm that I will **complete the examination independently** and without the unauthorized assistance of third parties and without the use of undisclosed and, in particular, unauthorized aids. This work has not been previously submitted in its current form or in a similar form to any other examination authorities and has not been accepted as part of an examination by any other examination authority.

In particular, I am aware that **the use of artificial intelligence** is forbidden unless its use an aid has been expressly permitted by the examiner. This applies in particular to chatbots (especially ChatGPT) and such programs in general that can complete the tasks of the examination or parts thereof on my behalf.
